

After School Study Support Class
Plus Educate

This class is for the children below...

- want to go to high school and university **in Japan**
- want to get a good job
- want to work hard at studying
- feel difficulties in studying

The following children do not seem to fit for this class...

- cannot understand Japanese
- want to be able to have daily conversation
- want to play or chat with other children

In our class, many children are trying hard at learning every time.

And they are making their dreams come true little by little.

If you have such motivated children, please join us and study hard together!
