After School Study Support Class

ほうかご がくしゅう しえん きょうしつ

This class is for the children below...

- want to go to high school and university in Japan
- want to get a good job
- want to work hard at studying but struggle with schoolwork and homework due to the difficulty of the Japanese language.

In our class, many children are trying hard at learning every time. And they are making their dreams come true little by little.

If you have such motivated children, please join us and study hard together!
